

The Mexican-American Experience

The Parador is a beautifully restored private event facility near the Medical Center and it features:

- **Formal garden and courtyard**
- **Separate dining area for up to 220 ppl.**

The Mexican-American Experience, contd.

This melange of Mexican and Texan-American performances will give a true feeling of the non-CW culture in south Texas

During a reception period, a synthesizer and guitar duo called Latin Fire would play

During dinner, a highly talented Mariachi group would perform, complete with nylon strings and brass

The Mexican-American Experience, contd.

Then, for after dinner entertainment, our folklorica dancers would perform a series of traditional dances live to our Mariachi band

On the Folkloricas break, we would inject the powerful flamenco dancer, Oksana, for a breath-taking display of dance and a medley of traditional Latin dances
